Atty. John Flores

Congressman, District 2

Pob. Malaybalay City, 8700, Bukidnon

Dear Congressman **Flores**,

I hope this letter finds you well. I am writing to humbly request your assistance on behalf of my father, **Maximo B. Tagaan**, who recently underwent a life-altering medical procedure. Due to complications from diabetes, my father had his leg amputated on September 25, 2024. This has left him in need of a wheelchair to help him regain some mobility and independence.

As a devoted son, I am committed to ensuring that my father is able to adjust to this new phase of his life with as much comfort and dignity as possible. Unfortunately, our current financial situation makes it difficult to afford the necessary medical equipment. We would be deeply grateful for any support or assistance your office could provide in securing a wheelchair for my father.

Your compassion and commitment to serving the people of our community are greatly appreciated, and I hope that you will kindly consider my request. I would be more than happy to provide any additional information or documentation required to assist in this matter.

Thank you for your time and attention to this request.

Sincerely,

Bryan Tagaan
